### Chapter 1 - Introduction

The Cadibike is designed with 3D technology and is the ideal Electrical Golf Scooter.

### Chapter 2 – Parts Name

### Chapter 3 – Operational Method

- Insert key into ignition and turn clockwise
- The power indicator will come on.
- Turn the throttle on the right hand handle bar slowly backwards. The Cadibike will start to move forward and speed up.
- To slow turn the throttle forward. The Cadibike will start slow down.
- To slow down or stop pull the brake lever gently.
- Check the disk brakes regularly and replace as needed.
- Charging: When charging, plug in the charger into the cell box first, then plug in the electrical supply into the wall plug – AC220V.
- Once fully charged disconnect the electrical supply and then remove the plug from the cell box.

### Chapter 4 - After Sales Service and Warranties

The Cadibike should be serviced at an authorised agent. Every BIG BOY Electric Cadibike comes with a 1 Year warranty against manufacturing defects in materials or workmanship. This warranty applies only to the original registered owner of the BIG BOY Electric Cadibike and is not transferable. This limited warranty does not apply to normal wear and tear, malfunctions, or failures due to abuse, neglect, improper repair, improper maintenance, alteration, modification, accidents, or other improper use. It is important that you register your new Electric Cadibike within 48 hours after purchase in order to activate the warranty.

#### TERMS OF THE WARRANTY

1. Warranty Period:
  - 1.1 Warranty conditions applicable for all Electric Cadibike Models sold by SAM valid for 1 year.
  - 1.3 Parts required under this warranty will be supplied as timeously as possible, however no liability for loss or damage resulting from any delays for whatever reason is accepted and the purchaser shall under no circumstances be entitled to cancel the contract of sale as a result of any delays occurring.
  - 1.4 After any warranty period has elapsed, you may purchase spare and replacement parts by contacting us.
2. SAM Reserves the Right to:
  - 2.1 Make design changes and modifications to motorcycles at anytime. The company has no obligation to make the same changes and modifications to previously manufactured motorcycles.
  - 2.2 Replace complete assemblies and / or units only if the change is so extensive that it would be less expensive to replace the complete assembly and / or unit than to repair it. Such decision is limited entirely to SAM authorized personnel.
  - 2.3 Adjust any malfunctioning parts, which were originally designed to be adjustable – without obligation of replacement.

- 2.4 Levy delivery and collection charges for any repair to be completed under these terms – this warranty do not include any delivery / collection.

3. This warranty is limited:

- 3.1 To the replacement or adjustment of faulty parts.
- 3.2 Warranty Labour for Dealers account.

4. This warranty will be void on sole discretion of SAM and or:

- 4.1 Warranty registration is not done within 48 hours of receipt of unit.
- 4.2 Vehicle is serviced or repaired at a non-SAM dealer.
- 4.3 Compulsory services are neglected.
- 4.4 The vehicle has undergone a change of ownership during the warranty period and the relevant dealer or SAM was not involved in an official inspection.
  - 4.4.1 The warranty may only be transferred when the unit is fully repaired and operational.
  - 4.4.2 Costs for the repairs to the unit will be for owners account.
  - 4.4.3 The transfer will only be valid for the remainder of the period of the original warranty.
  - 4.4.4 The warranty has to be registered by the new owner.
- 4.5 If the factory - applied Vehicle Identification Number (VIN) has been altered or removed from this product.
- 4.6 Evidence of any form of racing, misuse, negligence, accidents however caused, abuse, over loading extreme terrain or commercial usage is evident.
- 4.7 Non genuine parts or attachments are fitted.
- 4.8 Any form of additional electrical connections made.
- 4.9 Evidence of over revving is evident.
- 4.10 The purchaser fail to comply with any of the requirements stipulated in this document.

5. Warranty Exclusions:

- 5.1 Consumable parts including but not limited to Switches, Mechanical seals, Bulbs, Fuses.
- 5.2 Normal wear and tear or any failure resulting from wear and tear.
- 5.3 Maintenance operations including but not limited to adjustments of all components designed to be adjusted.
- 5.4 Any battery chargers – Note: Batteries may be subject to power surges.
- 5.5 Corrosion or UV damage of any form is excluded from this warranty.
- 5.6 Failures or damages incurred in transit/ storage.
- 5.7 Damage to or deterioration of a unit, part or battery charger resulting from inadequate maintenance, neglect, abuse, accident or collision.

## 6. Parts Specific Warranties

### 6.1 As follows:

- Frame -12 Months
- Electrical Motor – 3 Months
- Battery - We do not guarantee the batteries for longer than 3 months. For the first charge, batteries should be charged for a period of 8-12 hours

Note: Battery longevity depends on user and charging intervals. Batteries should be charged regularly and not left un-charged or completely drained for long periods of time. Batteries should be charged for a minimum of 8 hours per charge.

## 7. End User responsible to:

- 7.1 Ensure warranty registered within 48 hours of receipt of unit.
- 7.2 Report any mechanical or electrical defects to Dealer within 7 days.
- 7.3 Ensure the product is 100% operational and complete upon delivery, any claims in this respect will not be claimable, even if the product is in the warranty period.
- 7.4 Adhere to service schedule.

## 8. Service schedule:

- 8.1 Every 4 Months or as required. (Electrical products)

## 9. Special Notes:

- 9.1 All defective parts replaced under this warranty remain the property of SAM.
  - 9.2 Warranty workmanship remains the repairing dealer's responsibility.
    - 9.2.1 Should the motorcycle not be repaired correctly resulting in another part failing, it is the repairing Dealers responsibility for cost of the repair and replacement.
    - 9.2.2 Should any such claim arise, SAM reserves the right to make any such determination in the best interest of both customer and Dealer.
-
